"Dear Sir.—I am a floor hand at expressing my feelings, but I should like to thank you. Your lozenges have done wonders in relieving my terrible cough. Since I had the operation of "Tracheotomy"

(the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at 8t. Hartholomew's Hospital, no one sould possibly have had a more violent cough: it was so bad at times that it quite exhausted me. The mucous,

which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.—I am, sir, yours truly, J. HILL.

Routh Park, Cardiff, South Wales,
Sept. 28, 1893.

"I have, indeed, great pleasure in adding my
testimony to your excellent preparation of Cough
Lozenges, and I have prescribed it now for the last
eight years in my hospitals and private practice,
and found it of great benefit. I often suffer from

Chronic Bronchitis; your Lozenge is the only remedy which gives me immediate case. Therefore

I certainly and most strongly recommend your Lozenges to the public who may suffer from Caterria, Bronchitis, Winter Cough, or any kind of Pulmonary Irritation.—Yours truly,

A. GABRIEL, M.D., L.R.C.P. & L.M. E'burgh.

L.R.C.S. & L.M. E'burgh.

IT IS TOYEARS AGO" since REATING'S COUGH LOZENGES were first made, and the sale is larger than ever, because they are unrivalled in the relief and curs of Winter Cough, Asthma, and Bronchitis; one alone gives relief.

A BHANGHAI SCANDAL. This morning in the Danish Consulate

(says the Mercury of the 3rd inst.) there ple. (men, women and children) came down | was heard a case of a nature we are glad to say is unprecedented in the annuls of the port. One of the clerks of the Great Northern Telegraph Company was charged with criminally disclosing the contents of certain telegrams relating to negotiations proceeding for certain Government loans. The investigation scomed, however, to rebut any case of criminal action, though it appeared that inadvertently the accused had made certain disclosures, advantage of which had been taken by a foreign firm in the place. Up to this moment no suspicion of any want of care in the management of the Great Northern Telegraph Co. has come to hand, and we are therefore glad to believe the case is an isolated one.
